1. Corps-Level Exercises<sup>1</sup>.

25X1

[redacted] these EM spoke of "Corps-level maneuvers" lasting about three weeks that were held immediately following the regular summer inspections during the latter part of Aug and early part of Sep 50 at the SULECIN training area. From these conversations, [redacted] unidentified units of the II Inf Corps and possibly another unidentified infantry corps participated in these maneuvers, which lasted about three weeks. [redacted] unidentified armored units and aircraft participated and that temporary pontoon bridges were constructed when troops were to cross bodies of water in the SULECIN training area. [redacted]

 during two or three days of the exercise the kitchens were simulated as being captured or destroyed by artillery gun fire. As a result he and other troops were not fed but were told that they had to harden themselves to wartime conditions. Several days after the exercise the units departed from the SULECIN training area and returned to their regular casernes.
